A TRAINING OPPORTUNITY BY

THE ONLY WESTERN USA CLASS "A" ACCREDITED CPTED COURSE IN THE
INTERNATIONAL CPTED ASSOCIATION

ARVADA, COLORADO

January 26, 27, 28 - 2022

Colorado's only ICA CPTED CAP Course

Next generation CPTED training

Venue: The Hilton Garden Inn Arvada
5455 Olde Wadsworth Blvd, Arvada, CO
855-680-3239 (<https://www.hilton.com/en/>)

JOIN US

... in the beautiful village of Olde Town Arvada five miles N/W of downtown Denver, for an interactive and fun 3-day workshop on SafeGrowth and CPTED. We will provide hands-on training, field visits, day and night safety audits, and work in 1st Generation CPTED and 2nd Generation CPTED. You will also learn the new concept of 3rd Generation CPTED. Be among the first to learn the innovative neighborhood planning system called SafeGrowth, developed by the course instructor and delivered in cities across the world. Our training is approved as a Class A accredited CPTED course with the International CPTED Association that provides access to the professional ICA CPTED certification program. Learn from one of the most experienced and leading CPTED experts in the world.

YOUR INSTRUCTOR

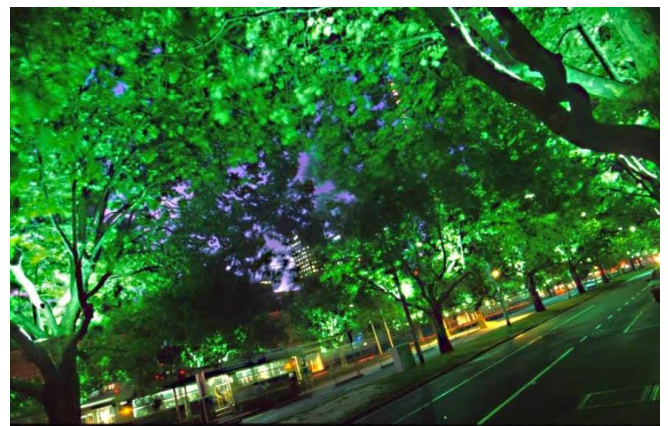

Gregory Saville, MES, MCIP, ICCP

Author of "SafeGrowth®: Building Safe and Livable Neighborhoods" • 35 years in 1st and 2nd Generation CPTED • Developer of the SafeGrowth® planning method • Urban planner and Criminologist • Former police officer • Taught on criminology faculties at Florida State University & the University of New Haven's National Security Program • Expert Legal Witness on Spatial Forensics / Offender Target Selection • Co-founder of the International CPTED Association • Chair of the ICA CPTED Course Accreditation Committee

WHAT YOU LEARN

1st Generation CPTED (territorial reinforcement, land use tactics, plan reading, crime displacement mitigation) • 2nd Generation CPTED (placemaking, social cohesion, tactical urbanism) • Risk Assessment Matrix method for diagnosing neighborhood problems • Introduction to Spatial Forensics and offender target selection • SafeGrowth® planning and project management • Class A Accredited CPTED course with the ICA • Eight of 11 core competencies in the ICA professional ICCP Certification Program • Certificate of completion in SafeGrowth® & CPTED • A global network of contacts and subject matter experts in SafeGrowth and CPTED

WHY SAFEGROWTH AND CPTED?

A course for urban designers, law enforcement officers, planners/architects, security professionals, community service providers, social workers, community association reps, and others. The SafeGrowth® planning method and Crime Prevention Through Environmental Design offer a truly proactive way to reduce crime risks and create safer places. Learn life-long skills in security, project management and crime prevention. Gain competencies to enhance your own professional development through the ICA's CPTED professional certification program, the only independent and international CPTED certification available for professionals. Learn how to properly diagnose crime problems and how to implement solutions. Meet experts in SafeGrowth® & CPTED as part of your new resource team in the SafeGrowth Network and in the International CPTED Association.

HOW WE RUN THE PROGRAM

Our training is a hybrid program with the following three stages:

Before the course:

- Pre-course reading
- Online webinar

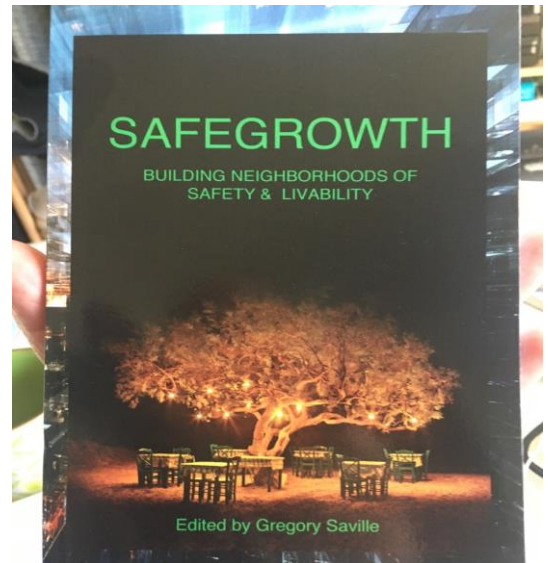

During the course:

- Three day workshop with day/night field exercises
- Extensive training manual and in-class exercises
- You devise a real-life project for applying your skills

Following the course:

- You conduct a field project and we mentor you online
- You present your project online for evaluation

DIRECTIONS

In-class training is January 26, 27, 28 - 2022.

Our training venue is the Hilton Garden Inn Arvada in the Historic Olde Town, Arvada, Colorado in the foothills of the Rocky Mountains near Denver. It is easily accessible from the Denver International Airport by commuter rail or via a 35 minute drive by car, taxi or Uber.

AIR: The Denver International Airport (DIA) is one of the largest international airports serving all major airlines. Rental cars, Uber, Taxi, and Train are all available and convenient from DIA.

TRAIN: The Denver Airport Rail is available from the Denver International Airport and a 35 minute ride takes you directly to Union Station in downtown Denver (\$10.50 from a ticket vending machine). Transfer onto the G Line train to Arvada Station (15 minutes). The Hilton Garden Inn is a 5 minute walk from the Arvada train station.

CAR: From the Denver International Airport take I-70 west to Arvada (28 miles). Exit 269A to Wadsworth Blvd North. Turn left on W 53 Ave and that runs directly to the hotel at 5455 Olde Wadsworth Blvd.

COSTS

Early Bird Registration - **\$850** (register before Jan 15)

Full Registration - **\$1,000** (register after Jan 15)
